

Bridal Emergency Kit

Murphy's Law states that if anything can go wrong, it will, at the worst possible moment. But you can break this law by being prepared! Decorate a bucket or basket in coordinating colors. As you think of all the possible things that could solve your wedding day emergencies, take the items and put them in your bucket or basket. Before you know it, you'll be ready for anything.

Some of these items are available in travel sizes for convenience. This kit also makes a creative bridal shower gift. Here are some ideas:

- ❑ Fingernail polish – One in your color and one clear to fix stocking runs
- ❑ Extra stockings
