

Your Photography Checklist

Your wedding memories are going to last a lifetime with the proper attention to photographic details. Capturing on film special groupings, events, and guests requires careful planning and the services of a skilled professional. Since the number of photos requested will determine costs, many photographers offer package plans or will tailor one to suit your budget. Check the following list for ideas.

Just a Thought...

If you have a large wedding party or family, appoint a photographic assistant for both sides. They should know everyone by sight and be able to assist the photographer by making sure all essential family groupings are taken. Inform your photographer of any special requests or sensitive situations in your respective families.
